

# allo release 13.07.23 (allo 2.1.7)

Last updated by | Irone Egbejule | 13 Jul 2023 at 08:19 BST

## 1. Introduction 🤝

The team have been busy working on new features and bug fixes that have been affecting the functionality of **allo** for our users. Help and support on how to use **allo** features is available on our website <https://heyallo.co/how-to-guide/> 📄

## 2. Overview 💬

We have undergone bug fixes & added new features to improve your experience. Features include the new and improved landing page, upgrades to the "Reports" page and UI enhancements to help you navigate **allo** easier.

## 3. Impacted users 👤

- Admin
- All users

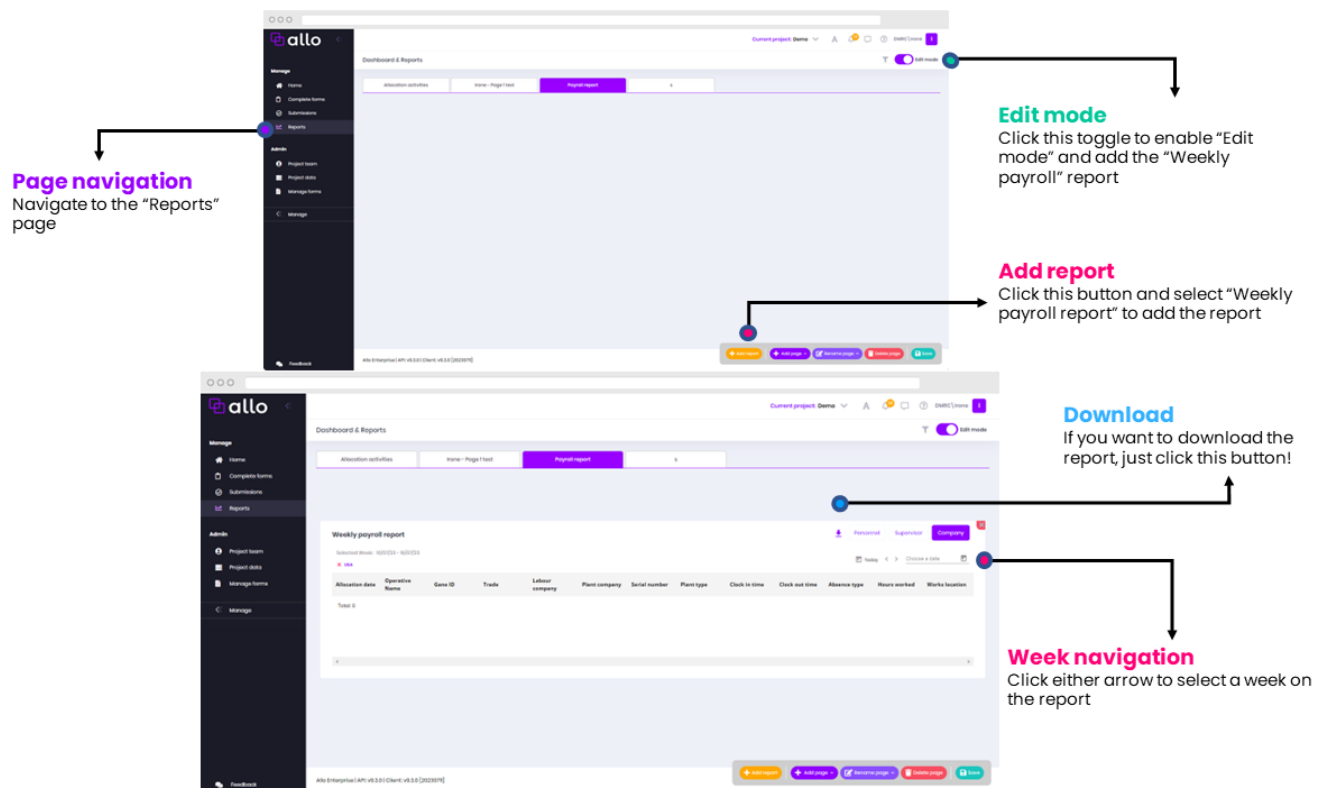

## 4. What's new in allo 📣

- We have launched a new **allo** homepage, allowing users to:
  - Receive new announcements made by the **allo** team
  - Use shortcuts to visit essential pages in allo
  - View recent notifications

The image displays two screenshots of the allo dashboard interface. The top screenshot shows the 'Create a new form' page, and the bottom screenshot shows the 'Fill out a new form' page. Callout boxes with arrows point to specific elements in both screenshots:

- Homepage:** After logging in to allo, you will see the new homepage.
- Help centre:** Want some guidance for navigating allo? Click any of these links to visit our:
  - How to guide
  - Frequently asked questions
  - Contact us page
- Recent notifications:** Here users can see their most recent notifications. Simply click the "all notifications" link to visit your notifications page.
- Create a new form:** If you are an admin, you can click this button to begin creating forms!
- Fill out a form:** If you are a supervisor, you can click any of the "start" buttons to begin completing forms!
- Announcements:** Here is where you can see announcements created by your host admin.

- We have added a new "Weekly payroll" report so you can get more valuable information about your team! With this new report users can:
  - Select different weeks to view
  - Apply multiple filters to the report
  - Download the report as an excel file

## 5. Bug fixes 🤗

### Admin:

- We have updated the 'Supervisor Submissions' report to make it clearer which week you have selected
- Now, you'll see all selected personnel displayed when applying the "Personnel" filter on the "Personnel Hours" report
- You will experience enhanced tooltips on the "Users", "Roles" & "Projects" pages
